### **High-performance with Voith technology: Bohui BM 3 produces 750,000 tons of board**

2014-05-22

Bohui Paper is enthusiastic: Since 2013 the Voith supplied BM 3 runs to the complete satisfaction of the Chinese board and paper manufacturer. "After a very fast start-up, we have soon been producing paper of perfect quality. We are very happy to work with Voith, a partner with large technological experience and know-how."

With a wire width of 8,750 mm and a total length of 400 m, the BM 3 is one of the most efficient board machines. It is designed for an annual production of 750,000 metric tons of quadruple-coated ivory board in the basis weight range of 290–340 g/m<sup>2</sup>.

Bohui Paper profits from the long term experience Voith gained during the last decades. As a market leader in the field of board and packaging machines Voith supports the paper maker with successfully proven components and modules. Included in the delivery is the whole paper machine from headbox to winder as well as automation and machine clothing.

The Shandong Bohui Paper Group Co., Ltd. was established in 1994. The paper and board manufacturer headquartered in Shandong Province employs 5,000 people and produces ivory board, graphic papers, testliners, kraftliners and plasterboard.
