

## Labelling Instructions for Direct Deliveries

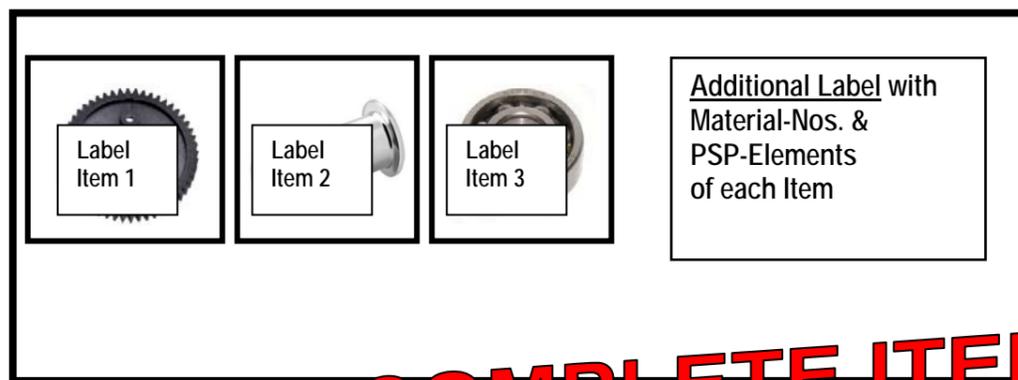

**All Parts resp. single handling units are to label according the items of the order.**

For this purpose **SPECIAL LABELS** are supplied together with the written order.

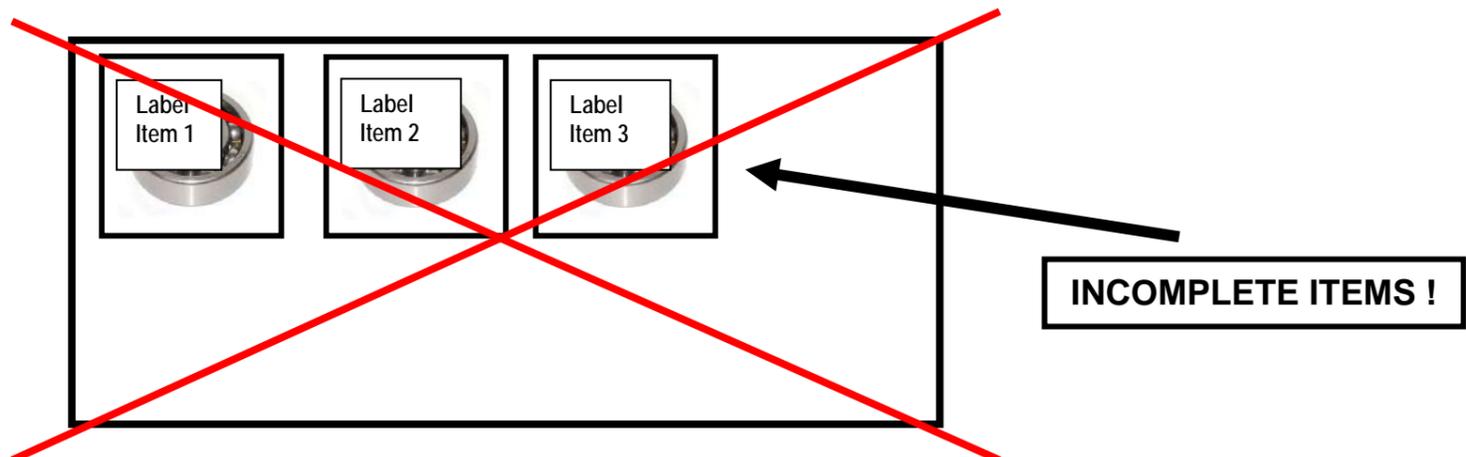

**ADDITIONAL LABELS** can be requested with the given information of **Order No., Item No. and PSP-Element**. Additional handwritten labels have to be performed with water-resistant marker.

Multiple **COMPLETE Items** can be packed in 1 (one) handling unit. The labelling obligation for the single parts will be still valid AND the handling unit has to be labelled with **Material-No. and PSP-Elements**.

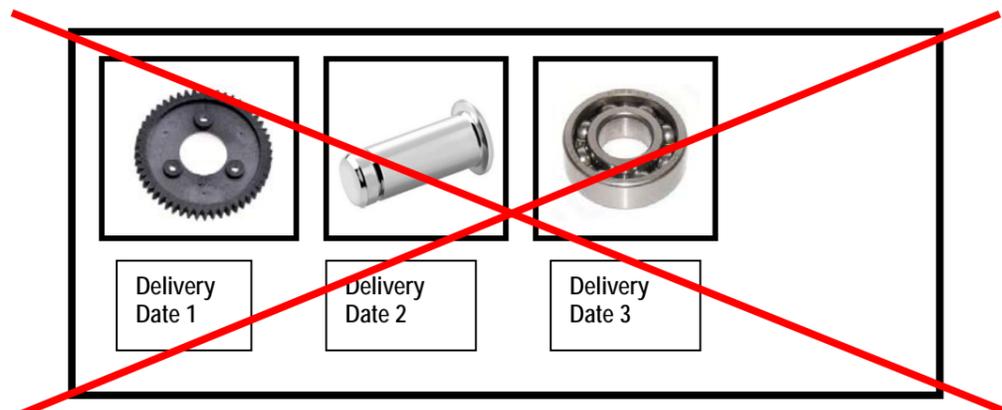

**COMPLETE ITEMS ONLY!**

**NOT ALLOWED ! Packing identical parts together in 1 handling unit from different Items of the order**

**NOT ALLOWED ! Packing complete Items together in 1 handling unit with different delivery dates**

Please note also the VOITH-Standards for Packing and Preservation!
