

Natural gas liquefaction (LNG)

- Flash-gas compressors
- Refrigerating compressors
- Boil-off gas compressors

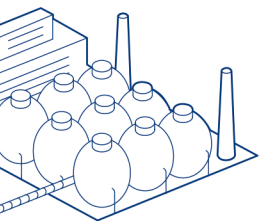

Gas transport

- Pipeline compressors

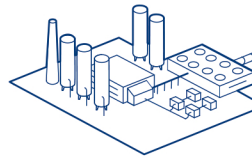

Refineries and petrochemicals

- Process gas compressors
- Hydrogen recycling compressors

Gas treatment

- Wet gas compressors
- Refrigerating compressors
- Acid gas compressors

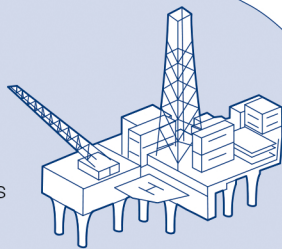

Oil and gas production

- Gas lift compressors
- Depletion compressors
- Injection compressors

Offshore platforms

- Gas lift compressors
- Export gas compressors
- Loading pumps

FPSO

- Injection compressors
- Export gas compressors
- Water injection pumps
- Loading pumps
