Jan Lüder takes over the management of Voith Hydro

2025-03-14

HEIDENHEIM, GERMANY. Jan Lüder will be appointed President and CEO of Voith Hydro and member of the Corporate Board of Management of the Voith Group effective April 1, 2025. He succeeds Dr. Tobias Keitel, who will continue his career outside Voith.

Jan Lüder was most recently Division President Flow and member of the Executive Committee of Sulzer AG in Switzerland. Between 2015 and 2022, Jan Lüder held management positions at thyssenkrupp, including CEO of the Mining Technologies division and previously CEO Industrial Solutions Asia Pacific and CEO Asia Pacific, based in Singapore. From 1995 to 2015, he worked for Siemens AG for almost 20 years in the Metals Technologies, Industrial Solutions and Power Generation divisions with international management functions in Asia (China, Malaysia) and Europe (Germany, Finland, Austria). Jan Lüder holds a degree in electrical engineering from the Technical University of Berlin (Germany).

"By appointing Jan Lüder, we have secured a leader for Voith who brings proven expertise in project and plant operations, along with extensive international management experience from renowned industrial firms. He is poised to strategically position the Group Division Hydro for economic success and capitalize on the growth opportunities presented by the global energy transition," says Prof. Siegfried Russwurm, Chairman of the Shareholders' Committee and the Supervisory Board of Voith.

About the Voith Group

The Voith Group is a global technology company. With its broad portfolio of systems, products, services and digital applications, Voith sets standards in the markets of energy, paper, raw materials and transport. Founded in 1867, Voith today has around 22,000 employees, sales of € 5.2 billion and locations in over 60 countries worldwide and thus is one of the larger family-owned companies in Europe.
